The Hummingbird Story

In the early months of 1910, London based artist Harold Piffard set himself up on a piece of grazing land across the river from Shoreham, and so started the story of Shoreham Airport.

Harold Piffard on his self-built 'HummingBird' pusher biplane made his first flight from Shoreham on 10th July 1910.

Main Terminal, Shoreham Airport,
Shoreham-by-Sea BN43 5FF
